PREFACE.

Philadelphia, 9th mo., 22, 1879.

In this collection we have placed, almost without exception, only fine or rare coins, and, we believe, have described them accurately, and, that collectors will find the descriptions and conditions have been correctly given, and can rely upon them.

We have minutely described the Cents, and as both obverses and reverses of twenty-four of the principal specimens are given in the plates, collectors will be able to see for themselves the exact condition with the assistance of the Catalogue.

We would call particular attention to a few of the pieces for their extraordinary condition or rarety, viz.:—Stater of Philip, Medallion Ptolemy I, Double Stater of Ptolemy I and Arsinoe, Ptolemy II and Berenice; Aurei of Agrippina, Jr., Nero, Lucius Verus rev. REX ARMEN DAT, and Faustina, Jr.; Tetradrachms of Carthage, Agathacles and Philistis; Denarii of Julius Cæsar, Caligula, Diadumenianus, and Gordianus Africanus Pater; Charles I, Half Pound; Commonwealth Crown; Cromwell Crown, Half Crown and Shilling; Mary and Henry Darnley Crown; 1836 Half Dollar, Proof Gobrecht Head; 1797 Half Dimes; *Cents;* 1836 Proof Half Cent, Massachusetts Oak Tree Shilling; Medals, Libertas Americana in Silver, Lafayette Unique, Washington, Lafayette and Kosciusko, and Centennial Award, etc., etc.

The dates given to the Roman Coins are the years between which, or in which they were issued.

All the Coins and Medals are guaranteed genuine.
